Endur ID Inc. Privacy Policy

This privacy policy applies to both our websites (Websites), and our customer data. It governs our data collection, processing, and usage practices. By using the Websites, you consent to the data practices described in this privacy policy. If you do not agree with the data practices described in this privacy policy, you should not use the Websites.

We may occasionally update this privacy policy so please revisit it from time to time. If you have any questions about this privacy policy or our treatment of the information you provide us, please write to us at info@endurid.com.

1. Information collected by Endur ID Inc.

1.1 Personal information

You are free to explore the Websites without providing any “personal information” about yourself. This refers to any information that you voluntarily submit to us and that identifies you personally, including contact information, such as your name, e-mail address, company name, address, phone number, and other information about yourself or your business. Personal information can also include information about you that is available on the internet, such as from Facebook, LinkedIn, Twitter, and Google.

1.2. Navigational information

This refers to information about your computer and your visits to this website such as your IP address, geographical location, browser type, referral source, length of visit and pages viewed. Please see the “Navigation information” section below.

1.3. Payment Information

We do not collect or process payment transactions through our Website.

2. How information is used

We use the information we collect only in compliance with this privacy policy. We will never sell your personal information to any third party. In addition to the uses identified elsewhere in this privacy policy, we may use your personal information to: (a) improve your browsing experience by personalizing the Websites (b) send information to you which we think may be of interest to you by post, email, or other means; (c) send you marketing communications relating to our business or the businesses of carefully-selected third parties which we think may be of interest to you, and (d) provide other companies with statistical information about our users — but this information will not be used to identify any individual user.

Further, Endur ID Inc. may share your information with its trusted partners under strict confidential rules to provide you with the best possible local services or support according to your needs. In no case will your information be shared with anyone outside of Endur ID Inc. or its partners.

2.1. Use of navigational information

We use navigational information to operate and improve the Websites. We may also use navigational information alone or in combination with personal information to provide you with personalized information about Endur ID Inc. offerings.

2.2. Customer testimonials and comments

We post customer testimonials and comments on our Websites, which may contain personal information. We obtain each customer's consent prior to posting the customer's name and testimonial.

2.3. Use of credit card Information

Credit card information is not collected or recommended to be provided through our website.

2.4. Security of your personal information

We make efforts to safeguard your personal information and we use a variety of security technologies and procedures to help protect it from unauthorized access, use or disclosure. Endur ID Inc. software products do not collect and store any patient or resident or inmate or detainee or parolee information. Endur ID Inc. software products utilize customer approved one-way communication with other customer software products that store such information and reads that information from the databases within those software products to enable the printing of bands. If you have any questions about the security of your personal information, you can contact us at info@endurid.com.

2.5. Social media features

Our Websites may include social media features, such as the Facebook Like button and Widgets, such as the Share This button or interactive mini programs that run on our sites. These features may collect your IP address, which page you are visiting on our sites, and may set a cookie to enable the feature to function properly. These features are either hosted by a third party or hosted directly on our Websites. This privacy policy does not apply to these features. Your interactions with these features are governed by the privacy policy and other policies of the companies providing them.

2.6. External websites

Our Websites provide links to other websites. Our provision of such links does not constitute our endorsement of these other websites, their content, their owners, or their practices. This privacy policy does not apply to these other websites, which are subject to the privacy or other policies of those other websites.

2.7. Public forums

We offer publicly accessible blogs and community forums. Please keep in mind that if you directly disclose any information through our blogs or forums, this information may be collected and used by others.

2.8. Retention of personal information

We retain personal information that you provide us as long as we consider it potentially useful in contacting you about the product and services we provide or as needed to comply with legal obligations, resolve disputes and enforce our agreements.

2.9. International transfer of information

To facilitate our global operations, we may transfer and access personal information from around the world, including the United States. This privacy policy shall apply even if we transfer personal information to other countries.

2.10. Corporate events

If Varnish Software is acquired by another company, whether by merger, acquisition, bankruptcy or otherwise, that company would receive all information gathered by Endur ID Inc. on the Websites. In this event, you will be notified via email and/or a prominent notice on our website, of any change in ownership.

2.11. Compelled disclosure

We reserve the right to use or disclose your personal information if required by law or if we reasonably believe that use or disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or comply with a law, court order, or legal process.
